

## ACADEMIC TASK FORCE MASTER CLASSES

Power your way to excellence in the TEE by attending **Academic Task Force MASTER CLASSES**.

These courses will:

- Help you achieve your very best marks
- Polish your performance
- Inspire you with expert teaching by subject specialists
- Be a valuable supplement to your learning at school
- Offer fresh insights into subject concepts

The teachers have a wealth of experience and knowledge to enrich your understanding. Their dedication to your success will motivate you to reach your subject goals.

### PRESENTERS

**Dr O.T. Lee** – author of text books in Calculus, Applicable Maths, Discrete Maths, Introductory Calculus and Geometry & Trigonometry which are used extensively in WA schools. Dr Lee is an exceptional teacher with extensive experience as a TEE marker.

**Dr Sarath Chandran** – author of text books in Physics and Chemistry for both years 11 and 12. Dr Chandran is an outstanding teacher with extensive experience in subject moderation and TEE marking.

**MASTER CLASSES** provide quality teaching in small classes. This programme is designed to maximize students' learning. In this unique and supportive atmosphere there is ample time for students to ask questions. Students will be encouraged to extend their capabilities and increase their knowledge with the goal of securing significantly higher TEE results.

Master Classes run for 1 hour per week for 10 weeks in your selected subject(s). They provide an alternative to our popular Saturday TEE Help Classes by offering a different day and a different format. Light refreshments will be provided.

Prepare for your exams by enrolling now. **Enrolments can be taken for the remaining sessions.**

SUBJECT	START DATE	FINISH DATE	TIME	COST
Intro Calc	17 <sup>th</sup> June	2 <sup>nd</sup> September	4.30 pm – 5.30 pm	\$450
