## EXCELLENCE IN EDUCATION

The program provides thorough teaching of the syllabus and offers advanced insights. The teachers have a wealth of experience and knowledge to enrich your understanding. Their dedication to your success will motivate you to reach your subject goals.

### PRESENTERS at ALFRED COVE

**Dr O.T. Lee** – author of text books in Calculus, Applicable Maths, Discrete Maths, and the new Maths 3AB and Specialist Maths 3AB which are used extensively in WA schools. Dr Lee is an exceptional teacher with extensive experience as a TEE marker.

**Dr Sarath Chandran** – author of text books in Physics and Chemistry for years 11 and 12, including the new Chemistry 2A/B course. Dr Chandran is an outstanding teacher with extensive experience in subject moderation and TEE marking.

### PRESENTERS at UWA

**Ian Collett** – a dynamic, highly proficient teacher who knows how to get the best from students. Ian has had many years experience as a Department Head and TEE marker.

**Dr Nick Warrington** – very experienced physics teacher at both secondary and tertiary level, including many years in UWA's physics department. Extensive TEE knowledge.

**Gerard McCann** – 20 years experience at a high performing girl's school in UK before taking up a post as Head of Chemistry in Perth.

### When?

Master Classes will run for 1 hour per week for 9 weeks during Term 2 in selected subjects.

They offer a variety of days, times and venues. Consult the program for details. Master Classes are an alternative to our Saturday classes as they follow a specific teaching program and are available on different days.

### Where?

#### Venues

**ACADEMIC TASK FORCE premises,  
649 Canning Highway, Alfred Cove  
and  
UWA, Social Science building, Nedlands**

**MASTER CLASSES** provide quality teaching in small classes. The program is designed to maximize your learning.

Master Classes provide an alternative to our popular Saturday TEE Help Classes by offering different days and a different format. They are a teaching program which promotes excellence.

Students will be challenged to extend their capabilities and increase their knowledge with the goal of securing significantly higher TEE results.

In this focussed and supportive atmosphere there is ample time for students to ask questions.

Excellent results were achieved by students who attended **ACADEMIC TASK FORCE** TEE Courses in 2008, including 6 General Exhibitions, 8 Subject Exhibitions, 41 Certificates of Distinction (subject scores in the top 0.5%) and 68 Certificates of Excellence (students who achieved 10 A's).

Students report a dramatic boost to their understanding since attending Master Classes.

Previous students say...

*"I have increased my understanding and knowledge of difficult concepts."*

*"I consolidated many concepts that I hadn't fully understood."*

*"A great boost to my exam performance."*

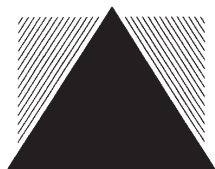

**Prepare for your exams by enrolling now.  
Limited places available.**

# ACADEMIC TASK FORCE

SUCCESS AT SCHOOL

We provide:

- **Tuition in Your Own Home**  
Individual tuition at our Centres and in your home.
- **TEE Revision Programs**  
Conducted in the January, April, July and October school holidays.
- **Saturday Classes**  
Small group classes that are conducted throughout the year to provide on-going help as you need it. For Years 8–12.
- **English Language Courses**  
Conversation and academic English, and I.E.L.T.S. preparation.
- **Transition Program**  
A preparation program for years 8, 9 and 10, held in January.
- **Study Guides**  
Containing revision questions and material to help you succeed in exams.
- **Master Classes**  
Small group classes that aim to extend students to their full potential.
