## ACADEMIC TASK FORCE EXCELLENCE IN EDUCATION

Regular Saturday classes help you develop good study techniques and ensure that you keep on top of your work.

Enthusiastic feedback from students, as well as from parents and teachers, tells us that our courses fill a real need.

Excellent results were achieved by students who attended **ACADEMIC TASK FORCE** Courses. Our TEE results in 2007 included 4 General Exhibitions (the highest TEE scores), 14 Subject Exhibitions (the highest mark in a particular subject), 39 Certificates of Distinction (subject scores in the top 0.5%) and 51 Certificates of Excellence (students who achieved 10 A's) and numerous school duxes.

That's not all. A majority of students report a dramatic boost to their confidence and achievements since attending our classes. Our students say...

**"I now have a greater understanding of the subject and a more positive attitude towards tackling questions previously not understood."**

**"I have gained greater direction, better focus, more confidence."**

I have enclosed an enrolment form for you and one for a friend. Complete your form and mail it to me or fax it to 9317 4468.
